Re: letter of recommendation

Dear Sir, Madam,

My name is Roel Voorin Holt, artistic director of Introdans, a ballet company based in Arnhem, the Netherlands. Introdans is founded in 1971 and has grown into a top dance company. Since 2009 Introdans has been designated part of the basis national infrastructure of the Dutch Ministry of Education, Culture and Science. Introdans presents modern ballet performances mainly in the Netherlands but also touring all over the world.

Introdans works with excellent skilled guest teachers to maintain the high professional level of our company dancers. In December 2005 we invited Karina Elver as guest teacher. Karina did a great job as specialist of the Bournonville technique classes. Her teaching was on a very high level. Karina has a great expertise and exceptional skills within the Bournonville ballet style. Her teaching inspired our company dancers very much.

The last couple of years she extended her field of work from Europe to the United States, where she worked as Bournonville specialist with several companies. I am sure that her work as guest teacher makes dancers better. Therefore I highly recommend Karina Elver as a great teacher and an excellent Bournonville expert.

Yours faithfully,
Introdans

Roel Voorin Holt,
Artistic director
